

CENTROTECNICA

stress to ensure

COMPRESSION TESTER TLS 25 kN

Compression machine. It satisfies all the main international standards for transportation test:

ASTM - TAPPI - FEFCO - ISTA - UNE...

FEATURES AND PERFORMANCE

Force: 25 kN

Plates area: 80 x 80 cm

with expander plates: 80 x 160 cm

Maximum height of the package: 91 cm

with expander plates: 85 cm

Plate speed: 1 ÷ 350 mm/min

Number of load cells: 3

Plate system: oscillating/fixed
